WP3 – STREET ART PER I DIRITTI

CONTESTO

StreetArt for RIGHTS è un evento di arte urbana che combatte la discriminazione e sensibilizza sullo sviluppo sostenibile attraverso laboratori, affreschi di graffiti e spettacoli partecipativi e innovativi. Il progetto si svolge in Italia, Grecia e Francia nell'arco di un ciclo triennale, contribuendo alla resilienza del settore culturale nel contesto della pandemia.

6 laboratori creativi in Italia, Grecia e Francia coinvolgono cittadini e artisti in un processo partecipativo e inclusivo. Ogni laboratorio creativo si concentra su tematiche legate all'inclusione sociale e/o alla sostenibilità ambientale, dando vita alla progettazione di opere d'arte e performance realizzate da artisti di strada, alimentate dai contributi, dalle preoccupazioni, dalle soluzioni, dalle domande e dalle considerazioni dei cittadini.

Durante il seminario di fertilizzazione incrociata, i partner individuano, documentano e condividono le migliori pratiche.

Le creazioni artistiche dei laboratori vengono esposte nell'ambito di tre momenti salienti del programma StreetArt for RIGHTS, che accolgono pubblico e artisti provenienti da paesi europei per dare visibilità alle creazioni dei cittadini. Tra i momenti salienti figurano artisti di varie discipline della street art. Un invito a presentare proposte accoglie contributi da parte di cittadini e artisti.

FESTA DI QUARTIERE AL ROSA PARKS COLLEGE

Pick Up Production ha organizzato il suo festival al termine dei 3 anni del progetto Street Art For Rights con l'intento di coniugare le diverse tematiche affrontate dal progetto.

L'evento si è tenuto sabato 14 settembre al Rosa Parks College di Nantes e ha offerto:

- Laboratorio di affresco e graffiti nell'ambito del progetto Street Art For Rights con gli artisti Lady Bug e il collettivo 100pression
- DJ set per animare il pomeriggio e farti rivisitare i tuoi classici

- Spettacolo di danza del collettivo The Rookies venuto a presentare la sua nuova creazione
- Microfono aperto e beatbox
- Giochi per i più piccoli, affinché tutta la famiglia possa godersi questa festa di quartiere
 - Battaglia hip hop di tutti gli stili
- Concerto esclusivo del rapper newyorkese e membro fondatore del gruppo Gangstarr: Jeru The Damasco

LA SCELTA DELLA LOCATION

L'evento ha avuto luogo nel cortile del Rosa Parks College. Questo è un posto che è stato chiuso fin dall'inizio scuola e che è in transizione, in attesa di essere riabilitata in vista di accogliere altri usi (locali associativo...).

Questo spazio ha senso per lo sviluppo del progetto perché:

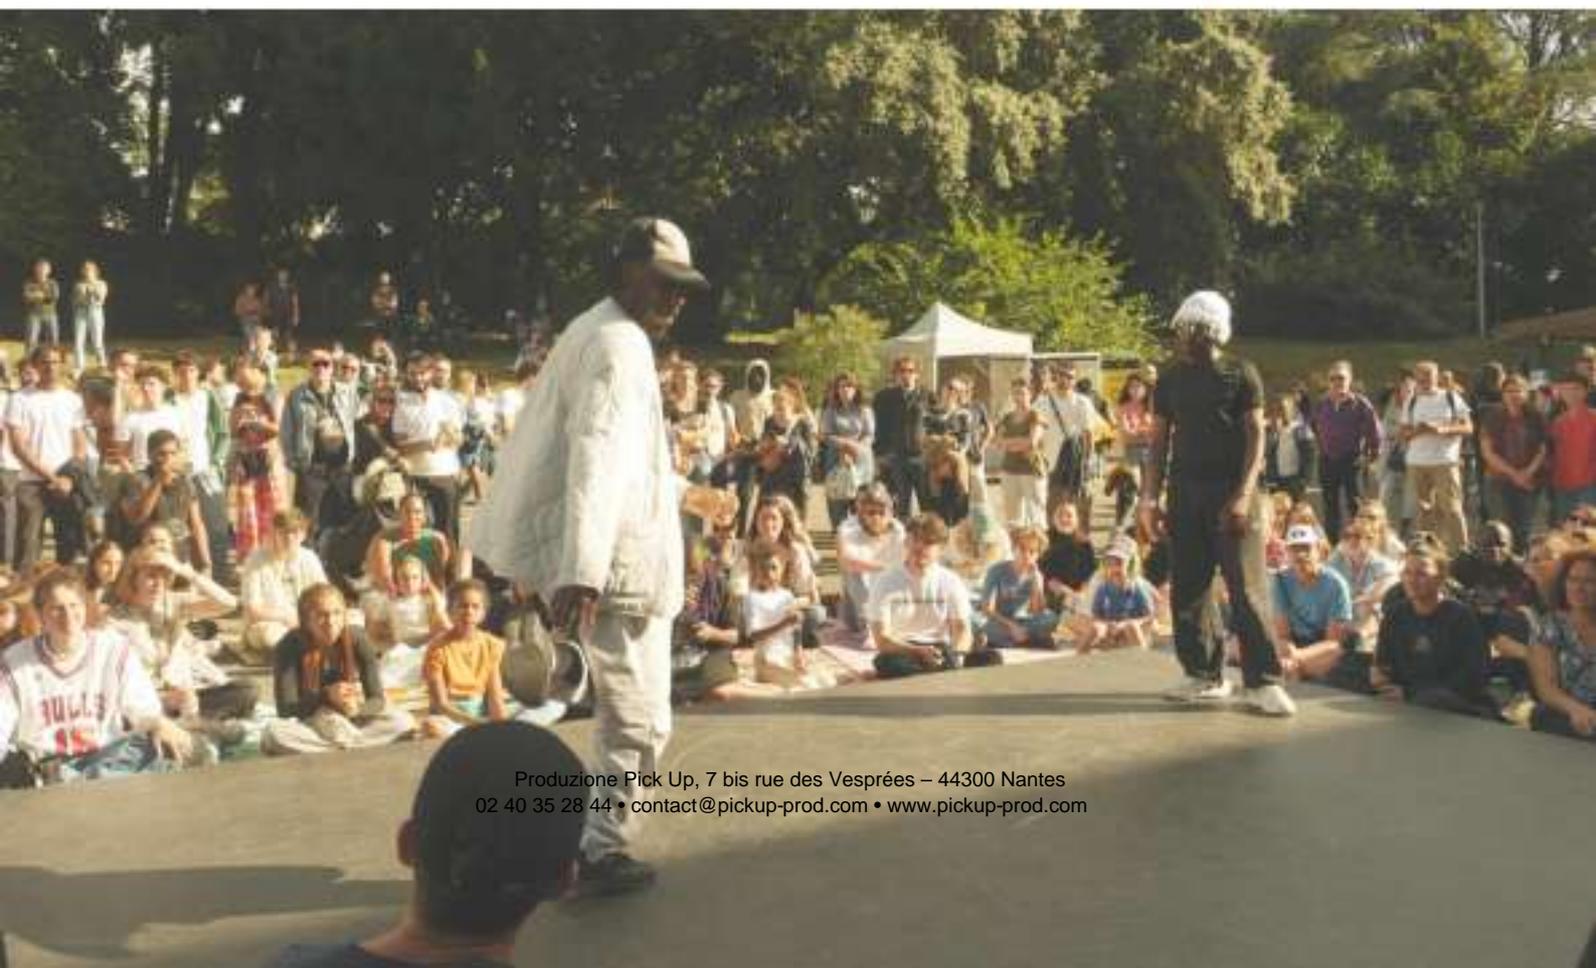

- È un luogo molto riconoscibile e appropriato, soprattutto per i giovani.
- È un luogo situato nel cuore di un quartiere prioritario della città di Nantes
- Rosa Parks è una figura impegnata nella lotta contro le discriminazioni • Rosa Parks è il nome del parco del Bronx a New York dove l'11 agosto 1973 si tenne la cerimonia di premiazione. festa di quartiere considerata la data di nascita del movimento hip hop. Raccolta Essendo la produzione un'associazione ispirata al movimento hip hop, questo posto ha quindi senso anche per quest'ultimo motivo

LE PROPOSTE

Per rendere questo evento il più popolare possibile, Pick Up Production ha collaborato anche con la città di Nantes di organizzare questa festa di quartiere nello stesso luogo e parallelamente al forum associativo di quartiere.

Per rendere questo evento adatto alle famiglie, Pick Up Production ha offerto un'area trucco per i sotto il cortile della scuola sono stati messi a disposizione dei bambini giochi in legno, con accesso gratuito.

Una dimostrazione di "dubble dutsh" è stata realizzata anche da un'associazione locale.

Nel cortile è stato allestito un bar che offre bevande analcoliche.

Una parte significativa del progetto è stata dedicata alla street art e ai graffiti:

- Laboratorio di graffiti con gli artisti del collettivo 100pression
- Realizzazione di un grande affresco (permanente) sul frontone del collegio, raffigurante Rosa Parks, dell'artista Lady Bug.
- Realizzazione di affreschi (permanenti) sui temi della discriminazione nel progetto (razzismo in particolare) sulle pareti esterne del college dagli artisti del collettivo 100pression
- Workshop preliminare con i residenti locali e creazione di collage fotografici di questi abitanti sulle facciate e sulle finestre del college dell'artista del Quebec Wartin Pantois, che è venuto residenza a Nantes per l'occasione.

Pick Up Production ha offerto laboratori di beatbox ai giovani studenti delle scuole medie del quartiere, che si sono svolti tenuta la settimana prima della festa di quartiere. Questa è stata quindi un'opportunità per loro di fare una restituzione, sul palco e alla presenza degli artisti che li accompagnavano e del pubblico.

DISCRIMINAZIONE

Il progetto è stato concepito come evento conclusivo del progetto Street Art for Rights. La sfida era quindi quella di per recepire tutte le buone pratiche dei vari workshop e festival già organizzati da Pick Up Production e dai suoi partner greci e italiani. La sfida era anche quella di riprendersi il più possibile discriminazioni affrontate dal progetto. La discriminazione di cui si è discusso durante tutta la vita dell' progetto sono stati presi in considerazione in diversi modi:

- **Disabilità:** accessibilità per le persone con mobilità ridotta sul sito dell'evento, presenza di persone formate in accogliere persone cieche, ipovedenti e sorde.
- **Origine sociale:** il progetto si è svolto nel cuore di un quartiere cosiddetto "prioritario" (quartiere sensibile) dalla città di Nantes, in un luogo molto conosciuto dai giovani, per rendere la festa di quartiere la più accessibile a tutti coloro che potrebbero considerarsi lontani da questo tipo di offerta culturale. Per lo stesso scopo, l'accesso all'evento era gratuito.
- **Sesso/genere:** attenzione è stata posta alla programmazione e la parità è stata notevolmente proposto con l'evento di battaglia di danza, che ha riunito sia i ballerini che ballerini.
